It may be a cliché to say Michelle Anne Richard has the voice of an angel, but there is no denying the fact. Confident and versatile, whether she is performing Jazz, blues, bossa nova, or traditional French material, Michelle's ease on stage, along with some of the best musicians in the Lower Mainland, make her shows never-to-be-missed events. Now situated in Vancouver, B.C. via Acadian New Brunswick and Bermuda, the multi-award winning Richard is currently at work on her second album.

After the launch of her all-original debut CD life changed for Olga Osipova. Soon after the Canadian release, the CD already topped the smooth jazz charts in her native Russia, and was added to rotation on many radio stations in Canada and worldwide. Olga's music continues to receive rave reviews from the press including the prestigious Jazz Times Magazine. Award-winning Osipova has been compared to the late, smoky Marlene Dietrich; that together with her own brand of clever lyrics, in a number of languages, makes her one of the hottest jazz tickets in Western Canada.
